- PRESS RELEASE -

For the third time in the past year Tobias Feltus will be showing his work with New Designers, this time, from the 8th to the 11th of July 2004 in the Craft Council's One Year On exhibit within New Designers 04 at the Business Design Centre, Islington.

FeltusFecit Ltd. (Tobias Feltus) will be showing the Chair2 - Table1 set: a stacking pedestal chair, and a simple table that accepts a horizontal stack of chairs in its middle, freeing up floor space. The divide in Table1's top also provides a simple and discreet cable management solution for mobile computing. FeltusFecit Ltd. is also currently seeking production and sponsorship to fulfil the commission of furnishing On|Off at the Royal Academy of Arts, Burlington Gardens, in September with 60 chairs and 20 tables. On|Off is a major programme to support the best of emerging British fashion talent during London Fashion Week produced by Doll.

More information on FeltusFecit Ltd., Tobias Feltus, his designs and his involvement with Doll and On | Off are available at www.feltusfecit.com
